

Jersey Blues Selected Poems

By Alessandro Baruffi

Lulu.com, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Like a pilgrim, or a spiritual vagrant, crisscrossing the country-always rolling on the very fabric of the continent: westwards and eastwards, to the eternal oceans, and from the northern vast plains down through the Appalachian, to the deep recesses of the lowlands, to the swamps-infallibly enough I would always return to my dwelling in Princeton. Many a time the lonely night was devoted to the contemplation of the moon of New Jersey, as I licked the wounds of a sore soul. I always wondered, how different that pale, ghostly circle of a moon was, from the one I encountered elsewhere above the magnificent land that I had been scampering about, and from the lost moon of my childhood. Yet, with adulthood-or maturity-seeing at last the rise and fall of earthling matters, I would flinch, my heart recoiling, as from something unpleasant. Thus, through the jaundiced, estranged buoy in the sky, I would recall past memories, and hold out my quivering hand to reach over to the always-receding mysteries of existence.

This publication will not be simple to get started on looking at but quite entertaining to learn. It generally fails to cost an excessive amount of. You will not feel monotony at anytime of your time (that's what catalogues are for about if you ask me).
