Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Xlibris Corporation, United States, 2005. Hardback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Writers and filmmakers have immortalized the Sicilian crime familys concept of power for decades to a world audience intrigued with Italian culture. IMMORTALLY ROMAN takes us inside that facinating culture and exposes for the first time a different traditional Italian cultural concept of power. Political, military, intelligence, and social concepts of power secretly practiced by Roman Legion Commanders and passed down from father to son thru a Calabrian familys tradition of the Black Knight are revealed through the adventures of a handsome young Italian-American Patriot in a time period of monumental international events capable of moving the United States to the heights of world leadership or the depths of self destruction. Marcos Capodante is groomed by his father Rocco to become a powerful player in high-level circles of international power. Following in the footsteps of his fathers brilliant Intelligence career in WWII, Marcos emerges onto the world theater as a US Navy Pilot towards the end of the Korean War. Reality hits Marcos head on. After being wounded on a flight over Korea he is reassigned as Chief Engineer aboard the USS Cavallaro APD-128 to Saigon just prior to the final battle of Dien Bien Phu and the fall of French Colonial Indochina. Under Roccas masterful guidance Marcos begins his own transformation into the extension of his historical contemporaries. The USS Cavallaro was a unique class of warship cloaked in mystery operating alone on Dark Missions throughout the Pacific. In 1954 she was stationed in Saigon acting as forward observation post for Naval Intelligence as military and political events escalated out of control between China, Russia, France, and the United States. With an incessant ancestral drive to...
