Sometimes I want to know the story behind a poem. This book will have a section that has the poem, and then a summary of the story behind it. Every poem in this book has been written through stages of my life and events that I have been through. There are many different subjects from which my poems are based, so there will be something in here that I m certain will touch everybody in some way. My poems are deep, yet understood easily. Believe me when I say, you will be touched!.
