Malcolm Press. Paperback. Book Condition: New. Paperback. The purpose in writing this book was to inspire, and guide, other solitary or small groups of golfers to follow their dreams and experience the unique joy of golf in Scotland. I am just a regular working guy, not wealthy or well to do, just a person who clips store coupons for the local grocery store and simply enjoys the game of golf. Since I started playing golf, I had long had the interest in making the trip, to the home of golf. However, I had been put off by the stories of trips arranged through tour groups, not to mention the expense. I have always been the type of person to do things my own way and not be excessively bound by other peoples arrangements. On top of that, I really didnt have a lot of other golfing buddies that I could collaborate with. So. . . what was I supposed to do Here is my story. - Jeff Foulk This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
