INTRODUCTION Welcome to an approximate one-fortieth of my compositional output. I'm tempted to picture you. I won't try; but I wish you every success in making these tunes your own! As a melodist and a partisan of melodic composition, I tried to choose pieces which tend to announce themselves, that leave neither the player nor the listener in any doubt as to their form or their progress. (I also chose from among the least messy of the lot.) If heard chronologically, a picture might be developed of my 40 years in New York, but I doubt it: I've always maintained the practice of jotting down the first stirrings of a melody, the moment it crosses my mind, then working out its implications at the keyboard; and I've always composed, indiscriminately, out of the six categories suggested here. But it is true that music from my early years in New York will be under-represented...

It is great and fantastic. Better than ever, though I am quite late in starting to read this one. Your life period will likely be transformed once you comprehensively read this book.
