Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A great many people are afraid of the will of God, and yet I believe that one of the sweetest lessons that we can learn in the school of Christ is the surrender of our wills to God, letting Him plan for us and rule our lives. If I know my own mind, if an angel should come from the throne of God and tell me that I could have my will done the rest of my days on earth, and that everything I wished should be carried out, or that I might refer it back to God, and let God s will be done in me and through me, I think in an instant I would say: Let the will of God be done. I cannot look into the future. I do not know what is going to happen to-morrow; in fact, I do not know what may happen before night; so I cannot choose for myself as well as God can choose for me, and it is much better to surrender my will to God s will. Abraham found this out, and I want to call your attention to four surrenders that he was called to make. I think that they give us a pretty good key to his life.
