Messenger Deorum (Latin for Messenger of the Gods) is the first installment in the Humanity Series, an eight-part space saga chronicling acts of selflessness, perseverance and sacrifice. Eli Witt has a mundane, miserable life serving out his prison sentence at the World Penitentiary in Australia. The world is a much different place than it used to be in the early 21st century. There are no more countries, only provinces. All military forces have been dissolved and capitalism is dead. With the worlds resources dwindling, the World Parliament has to consider new ways to acquire much-needed resources. There's only one solution: space exploration. Having no value to the public, the prisoners are offered the chance for a pardon. . . but they must take a risk. They must conduct a seven month mission to Mercury to drill for new sources of fuel. In a twist of fate, Eli is selected for the mission, and he is transported to Cape Canaveral, Florida, to begin his training. He is led by a noted historian, Harvey Belmont, who spearheads the effort. The...
