Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.On 8th May 1903, French post-Impressionist painter Paul Gauguin died, having spent his last few days with a cannibal Shaman called Tioka in a bamboo hut on the tiny volcanic island of Hiva Oa in the middle of the Pacific Ocean. Or did he? On 3rd January 2008 Tony Stowers, a British actor/writer living in France for four years, travelled to Pont-Aven, France. Somewhere along the way, a restless painter s ghost found temporary sanctuary in the imagination of an obscure, contemporary writer. This is their story. It s always easy to say that someone is a good writer or an accomplished author. What is far more difficult is what Tony Stowers has shown in this book: he s an excellent storyteller. He paints a picture, creates a scene as he tells every bit and piece of his life experiences the typical struggles of an artist, whether painter or poet, to make ends meet, to survive. You re there with him. - France On Your Own, Winter 2013.
