### ***Reviews***

*This ebook is worth acquiring. Better then never, though i am quite late in start reading this one. You will not truly feel monotony at at any time of your own time (that's what catalogues are for about if you ask me).*

W. W. Norton & Company, 1972. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: The reissue of this essay is an important event. The controversy between the life of the imagination and the life of technology has never been as strong as it is today, and so Professor Richards' observations are of special value.
