

Death of the Mantis

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

Headline Publishing Group. Paperback. Book Condition: new. BRAND NEW, Death of the Mantis, Michael Stanley, The third novel in the fantastic Detective 'Kubu' Bengu crime series is set in the southern Kalahari area of Botswana - a place full of buried lost cities, incredible hidden wealth, ancient gods and, for thousands of years, home to the nomadic Bushmen. When a fractious ranger named Monzo is found dead, fallen into a donga - a dry ravine - surrounded by three Bushmen, the local police arrest the nomads. Detective 'Kubu' Bengu is on the case, which reunites him with his old school friend Khumanego, a Bushman and now an advocate for his people. Khumanego believes the arrests are motivated by racist antagonism from the police, as the Bushmen are claiming that they were at the murder scene because they were trying to help. Soon after Monzo's death, Detective 'Kubu' learns of another case involving two botany students on their way back from a specimen-collecting trip but who were later found dead, seemingly poisoned, at a campground. Could the deaths be connected?.
