Createspace, United States, 2012. Paperback. Book Condition: New. 137 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.What s not to love about digging and mud? Corie: tall, thin, scruffy, female, student, blondish, smart, creative, outspoken, trouble-finding, precocious (whatever THAT means), eager, mature, silly, immature, messy-roomed, imaginative, animal-loving girl . . has actual PERMISSION FROM HER FATHER to dig a hole in the front yard of her house. As an added bonus she can use the water hose, wheelbarrow, shovel, spray paint, a sign and any and all neighborhood friends she wants. After this whole, hole digging event, lots of oddness ensues not just from the aforementioned father, but from her mother, a dog walker, the police chief, the newspaper guy and the scowling town librarian. Does any good come of this at all? Well, sit down, grab a free cheese sandwich and find out. Oh! One other thing. If you ABSOLUTELY do not like reading, then read this book. It is a tad nutty, nonsensical and sometimes barely even seems like a book. If you are a parent who has a child that appears to be un-fond of reading, well, then, bribe them to try this by telling them it s about popcorn, pudding, and Popsicles. And pickles. Hey! We ve just heard that this is a good read aloud book.
