Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.GAO examined the Department of Labor s (DOL) Senior Community Service Employment Program (SCSEP), focusing on: (1) DOL process for awarding SCSEP grants; (2) the extent to which DOL equitably distributes SCSEP funds; and (3) SCSEP administrative costs. GAO found that: (1) in order to maintain 1978 activity levels, the Older Americans Act (OAA) requires DOL to award SCSEP grants to national sponsors and those with proven track records; (2) of the \$410 million in SCSEP appropriations for program year 1994, \$234.5 million was distributed under the 1978 activity level provision; (3) DOL s use of the 1978 allocation pattern severely limited its ability to achieve equitable distribution among states; (4) appropriations statutes have overridden the title V funding provision to require that no more than 22 percent of SCSEP appropriations be allocated to state governments; and (5) in program year 1994, national sponsors administrative costs exceeded the 15-percent limit due to administrative expenses being charged to another cost category.
