Could A Nursing Home Be In Your Future?

By Michael Miller

AUTHORHOUSE, United States, 2005. Paperback. Book Condition: New. 198 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.This is a book about nursing homes and aging. It is an attempt by this author to bring to light some of his observations and his personal experiences in a number of nursing homes environments. Mr. Miller, as both a floor nurse and a teacher, has been a keen observer of the care that is disseminated in a number of nursing homes. His book describes in detail several vivid accounts of inadequate, careless, negligent, and abusive care he has witnessed in some of those nursing homes. The author cites such examples as perpetual staffing shortages, an inadequate pay scale, a high turn-over rate, mandated overtime, extremely high job stress, physically and emotionally demanding work, and an inherent risk of disease transmission as the leading causes of a lack of proper care. Not only do many nursing home residents receive sub-standard care, but innumerable members of our elderly population become increasingly alienated from the mainstream. The view of the elderly is, to a great extent, that they are much less productive than the rest of us and therefore, less...
