

MasteringCHEMISTRY Personal Student Registration Record

Student Name: _____ School Post Code: _____
 Course ID (if applicable): _____ Student ID (Optional): _____

To begin using MasteringChemistry, follow the basic instructions below to register and log in. For the latest instructions, visit www.masteringchemistry.com/support or the online help. You can log in to your teacher's MasteringChemistry online course (if available) until it expires, or log in for self-study activities (if available for your textbook) for one year.

Register for MasteringChemistry (one time only)

- Go to www.masteringchemistry.com and click **New Students/Teacher Register**.
- When asked to supply your access code, enter the **student access code** provided below. Don't type the letters & each student access code can be entered any time, for a single student registration.

.....

NOT FOR RESALE: Once activated, you cannot transfer your subscription to MasteringChemistry to another student by changing the name on your student account or in any other way. By using the access code provided above to register, you indicate that you agree that, understand, and warrant to Pearson Education course agreements, which also are provided to you during the registration process.

- Follow the on-screen instructions to enter some basic information, including a valid email address and your school post code. **When asked to provide your school name, choose "Other"** from the bottom of the list if you don't see your school listed.

You will use the login name and password you create in this process to log in to MasteringChemistry. Record your login name and password! (Do not share your login name and password with any other student.)

Login Name: _____ Password: _____

- After you complete the registration process, click **Log In Here** to go to www.masteringchemistry.com.

Log in to MasteringChemistry

- From www.masteringchemistry.com, enter your **login name** and **password** and click **Log In**.
- Your next step varies, depending on whether or not you have been given a Course ID.

<p>If you received a Course ID from your teacher, use it to log in to a MasteringChemistry course now.</p> <p>Enter the Course ID on your login page and click Log In. (Pearson will then direct you to the course you have been given access to.)</p> <p>Your Assignment List is now at your fingertips. You can view, create and edit assignments. You can also view the Assignment List for your textbook. Click Study Area to view this.</p>	<p>If you don't have a Course ID, go to the self-study area in MasteringChemistry. (Not available for all textbooks.)</p> <p>Click on your text in Edexcel Mastering Chemistry (for the Study Area) and then click Study Area of the text.</p> <p>If you receive a Course ID after you complete the step above, click Join Course after logging in.</p>

Reviews

It is one of the best publications. It really is really intriguing through reading through period of time. You will not feel monotony at anytime of your own time (that's what catalogs are for relating to in the event you request me).

-- Dr. Pat Hegmann

It is one of my favorite publications. It is among the most awesome publication I have gone through. I am just quickly will get a delight of reading through a published publication.

-- Prof. Martin Zboncak DVM
