Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A unique cookbook that is a funny and yummy. This cookbook is different from the rest in that it is broken down into meals instead of food categories. The meals are simple to prepare, quick and easily satisfy the little ones that gather around the table as well as adults. Not only are there complete meals, I also included a few more sections like afternoon snacks, sweets, and breakfast. Of course there are funny stories, randomness and lots of pictures. This was written with first hand experience in the kitchen by me -- a mom of 3. All these meals we have on a regular basis in our home so they are tasty and so easy to prepare. You are going to blow your family away with BBQ Mini Meatloaves, Slow Cooker Chili, Sweet and Sour Meatballs, Enchilladas, Chicken Pot Pie.I could go on and on about the mouth watering dishes. Most importantly this cookbook allows you to make dinner and get your family around the table as a time of bonding, laughing, and feeding the bellies that live in your home. Isn t that what family meals are all about?.
