Reviews

*Merely no words and phrases to describe. I really could comprehend almost everything using this created e pdf. Your daily life period will be change once you full reading this ebook.
(Mr. Ladarius Stoltenberg)*

SOME MEDICAL ASPECTS OF OLD AGE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Some Medical Aspects of Old Age The material in this small volume was collected in connexion with the Linacre Lecture at St. John s College, Cambridge, and has been somewhat expanded since its delivery on 6th May 1922. The introduction is chiefly of local interest in connexion with the history of the Linacre Lecture. Without attempting a complete account of old age and its diseases I have passed in review some ancient and modern medical aspects of this subject, but, except for incidental references, medical treatment has not been considered. For ready help, especially as regards the illustrations, my cordial thanks are due to C. J. S. Thompson, Esq., M.B.E., of the Wellcome Historical Museum, and for the index I am much indebted to H. M. Barlow, Esq., Assistant Librarian of the Royal College of Physicians of London. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
