Is this true Were we really brought up only to succeed in order to achieve material aplenty and is this what the American Dream is all about: Success as the reason for living In my research paper I will try to find an answer to these questions by looking at the origin of the concept of the American Dream, the critical interpretation of the American Dream referring to itschange of values. Furthermore, I am going to discuss the influence of the American Dream on popular imagination and, as a conclusion, I will briefly state the effect it has on political rhetoric. So, the main purpose of my paper is to show that the notion of the American Dream has not always been identified with materialism but...
