Smith, Governor: Dear Sir: I have the honor and the pleasure of laying before you, in the foregoing pages, the apportionment of the fund of \$250,000.00 to be used for the support of the common schools of the State the present year. The counties of Bryan, Elbert, Madison, Miller, Pickens, Polk, Stewart and Thomas have not made a return of the enumeration of the school population. All of these counties, except Bryan, made a return in 1871, and when the apportionment of the fund for paying teachers and school officers of 1871 was made last winter, the school population of Bryan was carefully computed. As the returns made this year, show a very slight increase in the school population, owing in part to the fact that Confederate soldiers under thirty years of age are included, I determined to us(c) the actual and estimated returns of 1871 for the foregoing counties in making the present apportionment. The method of apportionment was as follows: Thefund to be apportioned, \$250,000.00, was divided by 367,614, the entire school population of the State, giving \$.68006115, or a small fraction over sixty-eight cents a head to every child of...
