Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

PROPOSAL TO INCLUDE END OF COURSE TEST RESULTS IN MIDDLE SCHOOL ABSOLUTE RATINGS

Bibliogov, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.Middle school administrators have expressed concerns that the report card ratings for their schools are based exclusively on student PACT performance while the results from the standards-based End of Course tests taken by their students are included only in the school district ratings. In response to these concerns, a methodology was devised to include End of Course test results along with PACT results for the calculation of middle school Absolute Ratings. This report describes that methodology, presents the results from simulations based on the methodology, and makes recommendations regarding the adoption of the methodology.
