BAETULONA: 100 DESIGNS FOR HISTORY

Promopress. Hardback. Book Condition: new. BRAND NEW, Baetulona: 100 Designs for History, Brothers Art Direction, Design, In this unique accordion-folded project, the outstanding work of some of the best illustrators from over 50 different countries is assembled to give life to a single work created by the design studio Brothers. This book looks at the history of Baetulona, now known as Badalona, through a unique and modern artistic perspective and depicts the 100 defining moments which have marked the evolution of this ancient Roman coastal city near Barcelona. Besieged by pirates during the 16th and 17th centuries and ravaged by a succession of wars for the next two centuries, Baetulona endured a turbulent history, especially during the time of the bitter Spanish civil war. Only after the restoration of democracy in 1979 did this once-thriving Mediterranean centre begin to recover its Catalan identity and character. As a special tribute, 100 outstanding designers pay homage to the enduring sprit of Baetulona - each creative work shaping and colouring different events throughout its dramatic past. Proud of its rich Iberian and Romanic heritage, the city has steadily flourished and regenerated through time and was named capital of Catalan culture in 2010. Seen through the eyes of an international selection of young illustrators, the ever-changing face of "Beatulona" is reflected in the extraordinary graphic interpretation of this vibrant Catalan city - an epic visual journey through its past right up its present and future.
